ARRIÈRE PLAN

IMPORTANT: Please register directly on the course website: <http://uncclearn.org/>

UNDP (United Nations Development Programme) is a United Nations agency that works to promote sustainable development and poverty reduction. It provides technical assistance and financial support to developing countries. UNDP's work is organized into several key areas, including governance, economic development, and social development. The organization also focuses on disaster risk reduction and climate change adaptation. UNDP's mandate is to help countries build resilience and achieve the Sustainable Development Goals (SDGs).
