

The Defeat NCD Partnership

Type:	Course
Location:	Web-based
Duration:	1 Hours
Programme Area:	Other
Website:	https://whoacademy.org/coursewares/course-v1:WHOAcademy-Hosted+H0026AM+H0026AM_...
Price:	\$0.00
Event Focal Point Email:	globalhealth@unitar.org

BACKGROUND

EVENT OBJECTIVES

- Identify the main objectives of the event
- Understand the importance of the event
- Know the location and date of the event
- Know the speakers and topics of the event
- Understand the format of the event
- Know the registration and ticketing information

CONTENT AND STRUCTURE

The event will focus on the impact of the COVID-19 pandemic on the health and well-being of the population. It will explore the challenges faced by resource-poor countries and the role of the health system in managing the pandemic. The event will also discuss the importance of community-based approaches and the role of the private sector in providing health services. The event will be held in a virtual format, allowing participants from around the world to attend. The event will be held on 200th anniversary of the World Health Organization (WHO) and will be a key event in the WHO calendar. The event will be held in a virtual format, allowing participants from around the world to attend. The event will be held on 200th anniversary of the World Health Organization (WHO) and will be a key event in the WHO calendar.
