In today's constantly evolving world, the ability to design and deliver high-quality training events is a crucial skill for professionals in all sectors. This course will equip you with the tools and knowledge necessary to create and implement training events that deliver concrete results for your target audience. You will gain a deep understanding of UNITAR's unique approach to training design, which is grounded in principles of adult learning theory and the Sustainable Development Goals (SDGs).

The course will give you practical insight into:

- **Design** impactful training through applying key learning principles.
- **Assess** audience behaviours, needs, and preferences.
- **Develop** training content that addresses the learning objectives.
- **Facilitate** training sessions effectively.
- **Evaluate** training by assessing reactions, learning, application outcomes, and impact results.
- **Mainstream gender and inclusion** in the training cycle.
