The overarching goal of the programme is to provide access to digital learning platform together with employment possibilities for Ukrainian women evacuees in Poland. The programme content aims at building up on their previous experience with new and practical skill-sets in the field of digital technology to strengthen their expertise.

1. Make sure participants are familiar with the Programme's courses, contents, and learning mode
2. Provide an opportunity for the participants to meet course instructors and UNITAR team representatives
3. Learn about women empowerment in the tech industry and get inspired for further learning journey
