Immerse yourself in the intricacies of the English language with our comprehensive online masterclass. Tailored for individuals seeking to enhance their fluency and sophistication in English communication, this meticulously crafted course caters to learners of all proficiency levels, promising a transformative journey towards mastering the language. This course will help learners to improve their foundations of English, expand their vocabulary, and

effectively communicate using techniques to improve articulation, coherence, and grammatical structures.

This course will help learners around the world with their language skills and help them have a competitive advantage in the job market. This course directly relates to SDG 8 and our center's capacity development goal. CIFAL Lebanon aims to increase employability and enhance soft skills of its audience by providing this free English Language Masterclass.

By the end of this masterclass, learners will have achieved:

1. A comprehensive understanding of English grammar and the ability to apply it effectively in various contexts.
2. An enriched vocabulary and the skills to continue expanding it independently.
3. Enhanced communication skills, tailored to diverse situations and audiences.

The confidence to engage in complex conversations in English.

The course will take place 3 hours per day for 4 weeks. Students will receive a baseline assessment as well as a post program assessment to measure their improvement. The session plan includes lessons on grammar, communication and pronunciation skills. Please see detailed program information note for the session plan.

This course is a self-paced learning opportunity for people to improve their English skills. It is suitable for non-native speaker and anyone looking to improve their English speaking skills. The course has pronunciation exercises as well as

grammatical lessons and communication sessions. Students will measure their progress by taking baseline and post-program assessments.

Whether you're a non-native speaker aiming for fluency, a professional seeking employment and thus looking to polish your communication skills, or an enthusiast eager to explore the depths of the English language, this masterclass is designed to meet your needs and exceed your expectations.
