-  : Workshop
-  : Palolo, Hawaii, United States of America
-  : 15 4 2024 to 15 5 2024
-  : 1 Days
-  : Decentralize Cooperation Programme
-  : <https://chaminade.edu/cifal-honolulu/>
-  : US\$0.00
-  email: cifa@unitar.org
-  : CIFAL Honolulu

The purpose of the SDG Affinity Group is to create micro-workshops and experiential learning environment that aids faculty and staff in gaining a deeper understanding of CIFAL Honolulu and the SDGs. We will share the role SDGs can play in fostering quality education for our students, community, and ourselves. In turn, the Chaminade community will become more equipped with the SDGs to cultivate sustainable innovation and creativity within all disciplines.

Understand the SDGs Analyzing global, local, and regional challenges Exploring interdisciplinary approaches Promote awareness and advocacy Cultivate leadership and collaboration in terms of leveraging SDGs at Chaminade University of Honolulu 6. No Poverty and Good health and well-being
